

NAVFAC P-307 TRAINING

NAVFAC P-307 OVERVIEW

NKO/NEL CATALOG NUMBER: NCC-P307-01

TARGET AUDIENCE: New or prospective certifying officials, load test directors, crane inspectors, weight handling equipment managers

SYNOPSIS: NAVFAC P-307 Overview is designed to acquaint new and prospective certifying officials, load test directors, crane inspectors, weight handling equipment managers, and others as they deem themselves pertinent, with the layout and content of the NAVFAC P-307 Weight Handling Program Management manual. It briefly discusses the topics found in each section and appendix and introduces all the forms found therein.

This overview is contained in the Certifying Official, Load Test Director, Mechanical Crane Inspector, and Electrical Crane Inspector courses.

PREREQUISITE: None
